BANKRUPTCY LOCAL RULES FOR THE NORTHERN DISTRICT OF GEORGIA AND OUTSTANDING GENERAL ORDERS

Pursuant to an Order of the United States District Court entered on August 8, 2005, revisions to the Northern District of Georgia's Local Bankruptcy Rules will be effective on October 17, 2005. Copies of the revised Bankruptcy Court Local Rules can be found on the Court's website at www.ganb.uscourts.gov or at the Clerk's public access terminals at each division courthouse. Counsel and all parties shall use the revised Local Rules in all documents filed with the Bankruptcy Court on or after October 17, 2005.

With the Revisions to the Bankruptcy Local Rules, General Orders No. 5, 7, 8 and 10 will no longer be necessary after October 17, 2005, as the subjects covered in those General Orders are covered in the revised Local Rules. The Bankruptcy Court is considering what amendments should be made to other outstanding General Orders in view of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005. As soon as those orders are amended, an announcement will be posted on the Court's website.
